Index to Volume 33

Subjects

Abdomen
surgery, exploratory, for suspected cancer, 341
Abortion
legal aspects, A-64 (May)
therapeutic (editorial), 619
Accidents
prevention, in aged, 96
Acne vulgaris
treatment, A-20 (Feb.)
ACTH and cortisone
adrenocortical function, assessment, 20
prednisolone therapy, hydrocortisone level and, A-88 (Apr.)
treatment of nephrotic syndrome, 514
Adolescence
emotional problems of, 237
Adrenals
cortex, functional assessment, 20
tumor, pheochromocytoma, 82
Aging: See Geriatrics
Alcoholism
avitaminosis in, A-21 (June)
Aldosteronism
hypertension and, 84
Allergy
emergencies in office practice, 355
headache and, A-22 (Jan.)
nasal, A-88 (June)
physical, photosensitivity, 567
sensitization to cosmetics (editorial), 104
urticaria due to cold, A-20 (Jan.)
Alopecia: See Hair, loss
Amitriptyline
treatment of depression, A-88 (Apr.)
Amphetamine sulfate
contraindicated for athletes, A-20 (Mar.)
Amphotericin B
dosage and administration of, 215
untoward reactions to, 333
uses of, 113
Anemia
hypochromic, due to jejunal diverticulum, 249
pernicious, with spinal cord degeneration, 610
Anesthesia
in office and small hospital, 123
obstetric, emergency, A-84 (Jan.)
obstetric, paracervical block, 585
topical, usefulness of, 269
Angina pectoris: See Heart, disease, coronary
Angiography: See Blood vessels
Antibiotics
clinically useful antimicrobial agents, 105
dosage and mode of administration, 210
management of severe infections, 32
reactions, untoward, 327
selection, 507
therapy, current concepts, 571
Arteries
carotid, aneurysm during pregnancy, A-88 (Apr.)
femoral, surgery, direct, A-90 (Apr.)
inflammation, polyarteritis, 283
renal, occlusion, hypertension and, 488
sclerosis, hypertension and, 536
sclerosis, in essential hypertension, 545
Arthritis
diagnosis and treatment, 362
gouty, diagnosis, 142
rheumatoid, as cause of osteitis condensans ilii, A-22 (Jan.)
rheumatoid, in children, 283
rheumatoid, macroglobulins in, A-94 (Apr.)
rheumatoid, of hand, surgery, A-82 (June)
Athletes
stimulation with amphetamine sulfate, A-20 (Mar.)

Bacitracin
dosage and administration of, 213

untoward reactions to, 332
use against gram-positive organisms, 112
Back
pain in, new study, 100
Bacteria
gram-negative, infection, severe, 32
gram-negative, infection, treatment with antibiotics, 512
Barbiturates
side effects (note), 335
Beauty culture
hazards (editorial), 104
Beliefs
customs and, epidemiology (note), 195
Bell's palsy
treatment, A-20 (Jan.)
Biopsy capsule
gastrointestinal, 65
Bladder
examination in children, 393
neck obstruction, congenital, A-18 (Feb.), 461
roentgen examination, 495
tumors, diagnosis and treatment, 455
Blepharoptosis: See Eyelid, ptosis
Blood
cells, red, measurement, revised values, A-44 (Feb.)
coagulation in newborn, 222
dyscrasias, erythroblastosis fetalis in twins, A-38 (June)
dyscrasias, malignant, in children, A-88 (June)
dyscrasias, purpura, chronic idiopathic thrombocytopenic, 74
dyscrasias, Sézary's syndrome, A-18 (Feb.)
dyscrasias, thrombocytopenia, amegakaryocytic, with bilateral absence of radii, 401
gamma globulin, albumin leakage and, A-94 (Apr.)
macroglobulins in collagen diseases, A-94 (Apr.)
studies, quality control in laboratory, A-42 (May)
transfusion, sequelae, serum hepatitis, 582
uric acid in, renal calculi and, 7
Blood pressure
high, advances in treatment, 99
high, essential hypertension, current concepts, 529
high, essential hypertension, drug therapy, 540
high, essential hypertension, metabolic observations, 532
high, natural history, 536
high, renal artery disease and, 488
high, treatment, 80
high, treatment, introduction to symposium on, 527
high, treatment with guanethidine and methyldopa, 548
Blood vessels
disease, in essential hypertension, 545
lesions, in diabetes, A-94 (Mar.)
pelvic, roentgen examination, 504
peripheral, Raynaud's disease, A-84 (June)
Bone
defects, bilateral absence of radii, 401
defects, osteogenesis imperfecta tarda, A-16 (Apr.)
disease, kidney stones and, A-98 (Mar.)
disease, osteoporosis, hereditary, A-22 (May)
tumor, chondrosarcoma, 14
Boredom
pathology of, A-94 (Mar.)
Brain
atrophy, A-20 (Feb.)
atrophy, lobar, Pick's disease, A-21 (June)
damage in aged, speech problems, 294
injury, 207
injury, cerebral palsy and, A-18 (May)
injury in boxers, A-86 (Jan.)
Breast
adenocarcinoma, A-22 (Mar.)
disease, cystic, 133
lactation, nutrition and, 381
mastitis, chronic, medical myth (editorial), 526
shrinking, A-18 (Apr.)
Brucellosis
diagnosis and treatment, A-88 (May)

Cancer
diagnosis, abdominal exploration, 341
Hodgkin's disease, A-67 (Jan.)
Hodgkin's disease, Kaposi's sarcoma and, 301
iron metabolism and, A-90 (June)
leukemia in children, A-88 (June)
mortality rates (editorial), 204
new concepts, 100
of bladder, 455
of bone, chondrosarcoma, 14
of breast, A-22 (Mar.)
of esophagus, A-84 (June), 610
of genitourinary tract, 419
of kidney, 469
of nasopharynx, in China, A-77 (Feb.)
of pancreas, 321
of prostate, 449
of scrotal organs, 434
of skin, due to sunlight, 566
of testis, 440
of ureter, 465
of uterine cervix, detection with irrigation smear, A-84 (Jan.)
of uterine cervix, obstacles to control, 4
of uterus, chorio-adenoma destruens, choriocarcinoma, 175
treatment, role of surgeon and pathologist (editorial), 412
Cataract: See Eye
Cattell, Richard B.
dedication of special issue to, 2
Celiac disease
nutrition in, 592
Cesarean section
classic vs. cervical, A-24 (Jan.)
Chickenpox: See Varicella
Chloramphenicol
activity range of, 110
dosage and administration of, 212
untoward reactions to, 331
Chondrosarcoma
treatment of, 14
Chorio-adenoma destruens
description of, 175
Choriocarcinoma
prognosis in, 182
Clinicopathologic conferences
chest pain, bloody sputum and dyspnea, 185
cirrhosis, diabetes and episodic coma, 395
confusion, anemia and carcinoma, 610
Hodgkin's disease and mucocutaneous lesions, 301
Colistin
dosage and administration of, 213
untoward reactions to, 332
uses of, 111

Collagen diseases
in children, diagnosis, 283
macroglobulins in, A-94 (Apr.)
Colon: See Intestines
Cor pulmonale: See Heart, failure
Cushing's syndrome: See Adrenals
Customs
beliefs and, epidemiology (note), 195
Cycloserine
dosage and administration of, 213
untoward reactions to, 332
uses of, 112
Cystic fibrosis
management, 191

Death
causes of (editorial), 204
Defects
congenital, research on, 100
Dermatomyositis
clinical features of, 289
Diabetes mellitus
complications, infection, A-22 (June)
complications, vascular lesions, A-94 (Mar.)
management, effect of new research, 261
Diet: See Nutrition
Digitalis
treatment of children, 597
Diverticulitis
surgery, 217
Dizziness: See Vertigo
Drugs
generic names (editorial), 524
new, 100
new, clinical testing (editorial), 621
new, development of, A-96 (Mar.)
new, problems concerning, A-92 (Apr.)
obsolete (editorial), 525
regulation, new laws (editorial), 307
safety, control in Great Britain, A-90 (Feb.)
side effects, jaundice, 583
side effects, photosensitivity, 567
Duodenum
ulcer: See Peptic ulcer

Ear
hearing defects, recognition and management, 139
medicolegal aspects of otology, A-42 (Apr.)
Electrocardiogram: See Heart
Emergencies
hospital responsibility in, A-50 (Jan.)
Energizers
clinical experience with, 347
Enzymes
determination, clinical, A-64 (Mar.)
Eosinophilic granuloma: See Histiocytosis X
Epididymis
inflammation of, 427
swelling, diagnosis, 438
Epilepsy
status epilepticus, control, A-18 (Apr.)
Erythema bullosum
treatment of, A-20 (May)
Erythroblastosis fetalis
in twins, A-38 (June)
Erythromycin
as alternative to penicillin, 110
dosage and administration of, 212
untoward reactions to, 331
Esophagus
cancer, A-84 (June), 610
Eye
cataract in aged, 373
disease, new treatments, 101
Eyelid
ptosis, surgery, 153

Face
deformities, personality changes following surgery, 336
paralysis, Bell's palsy, A-20 (Jan.)
Fallopian tubes
roentgen examination, 504
Fever
faked (editorial), 309
in children (note), 95
Fingers
clubbing (note), 531
Forensic medicine
abortion, sterilization and insemination, A-64 (May)
emergencies, hospital responsibility in, A-50 (Jan.)
hazards of medical practice (editorial), 413
hypnotism, A-54 (June)
interns, residents and, legal liability, A-45 (Mar.)
otolaryngology, malpractice in, A-42 (Apr.)
records, medical, importance of, A-62 (Feb.)
strain as cause of epididymitis and vasitis, 427
Fractures
Colles', A-90 (May)
skull, 208
Fungous infection
moniliasis, cutaneous, 323

Gallbladder
disease, jaundice and, 584
Gamma globulin
albumin leakage and, A-94 (Apr.)
Gastrointestinal tract: See also Intestines, Stomach
disease, albumin leakage and, A-94 (Apr.)
disease, diagnosis, biopsy capsule, 65
Genitourinary tract: See also individual organs
cancer, urinary tests in, 419
disease, in children, diagnosis, 386
disease, roentgen diagnosis, 493
infection, urinary tests in, 417
special issue, 416
Geriatrics
accident prevention, 96
aging and death (editorial), 413
aging process (note), 322
aging, signs of (note), 460
care of aged in Glasgow (editorial), 206
dental care, 196
dizziness in aged, 606
gonads, aging and (note), 539
speech problems, 294
thyroid changes (note), 506
tuberculosis in aged (note), 372
vision, cataracts and, 373
Gonads: See also Testis
aging and (note), 539
Gonorrhea
diagnosis and treatment, 424

Gout: See also Arthritis
diagnosis and treatment, 369
renal calculi and, 7
Griseofulvin
antifungal properties of, 114
dosage and administration of, 216
untoward reactions to, 335
Guanethidine
treatment of hypertension, 548

Hair
loss, hormone treatment, A-22 (Mar.)
Hand
deformity, rheumatoid, surgery, A-82 (June)
Hand-Schüller-Christian disease: See Histiocytosis X
Head
injuries, 207
Headache
allergy and, A-22 (Jan.)
diagnosis, 311
occipital, post-traumatic (note), 354
Health
consciousness of (note), 268
Hearing: See Ear
Heart
arrest, resuscitation, indications for (editorial), 307
arrest, resuscitation, technic of, 228
disease, advances in treatment, 99
disease, causes, A-100 (Mar.)
disease, coronary, prevention, 520
disease, coronary, treatment of angina with Persantin, A-20 (Jan.)
disease, coronary, treatment of myocardial infarction, A-88 (May)
disease, diet and (editorial), 414
disease, in children, treatment with digitalis, 597
disease, in pregnancy, 555
disease, pericarditis, acute, electrocardiogram in, 590
failure, congestive, in children, 597
failure, cor pulmonale, chronic, 49
Heat stroke
symptoms of, A-94 (May)
Hematology: See Blood
Hemochromatosis
generalized, case report, 395
Hernia
inguinal, complications, surgical, A-88 (Apr.)
Hillebrand, Wilhelm
biography, A-144 (Feb.)
Histiocytosis X
manifestations of (editorial), 203
three variants of reticuloendothelial proliferation, 115
Hives: See Urticaria
Hodgkin's disease
Kaposi's sarcoma and, 301
diagnosis and treatment, A-69 (Jan.)
Hormones
in cosmetics, hazards of (editorial), 104
Hospitals
liability, legal, for interns and residents, A-45 (Mar.)
operating costs (editorial), 205
Hyaline membrane disease
serum protein levels and, A-88 (May)
Hydatidiform mole
description of, 176
Hydrocele: See Tunica vaginalis

Hypertension: See Blood pressure, high
Hypnotism
medicolegal problems, A-54 (June)

Industrial medicine
boredom, pathology of, A-94 (Mar.)
Infection
bacterial, severe, antibiotic treatment, 32
prophylaxis, with antibiotics, ineffectiveness of, 574
treatment: See Antibiotics
viral, respiratory, 88
Insemination
artificial, legal aspects, A-64 (May)
Insulin: See Diabetes mellitus
Interns
legal liabilities, A-45 (Mar.)
Intestines
colon, redundancy, acquired, A-21 (June)
diverticulitis, surgery, 217
diverticulum, jejunal, as cause of anemia, 249
flatus, chronic foul, A-22 (Jan.)
intussusception in children, 128
irritable-bowel syndrome, 233
obstruction, 165
Intrinsic factor
chemistry of, A-18 (June)
Iron
metabolism, cancer and, A-90 (June)

Jaundice
diagnosis, 577
Jejunum: See Intestines

Kanamycin
dosage and administration of, 212
in gastroenterologic conditions, 109
untoward reactions to, 329
Kaposi's sarcoma
Hodgkin's disease and, 301
Kidney: See also Urine
artificial, A-81 (Jan.)
calculi, bone lesions and, A-98 (Mar.)
calculi, hyperuricemia and, 7
calculi, ureteral obstruction due to, 466
disease, cystic and neoplastic, 469
disease, hypertension and, 83
disease, in children, diagnosis, 386
disease, nephrotic syndrome in children, 514
disease, proteinuria and, A-90 (Apr.)
failure due to occlusive disease of renal arteries, hypertension and, 488
roentgen examination, 493
tumor, 469

Labor
conduct of, anesthesia in emergency, A-84 (Jan.)
conduct of, anesthesia, paracervical block, 585
conduct of, cesarean section, classic vs. cervical, A-24 (Jan.)
conduct of, vacuum extractor, 100
Laboratory analyses
usefulness, improvement, A-24 (Apr.)
Lactation
nutrition and, 380
Larynx
excision, speech restoration after, 299
tumor, laryngocele, 406

Letterer-Siwe disease: See Histiocytosis X
Leukemia
in children, A-88 (June)
Light
sensitivity, cutaneous, 564
Liver
disease, hepatitis, 582
disease, jaundice in, 577
Lung
cystic fibrosis and, 192
disease, cor pulmonale, 48
disease, proteinosis, alveolar, A-86 (Apr.)
fibrosis following varicella pneumonitis, A-18 (Jan.)
Lupus erythematosus
photosensitivity in, 564
systemic, case report, 185
systemic, chronic idiopathic thrombocytopenic purpura and, 74
systemic, diagnosis, 283

McGuire, Hunter Holmes
biography, A-112 (May)
Measles
vaccine, 100
Medical education
new schools, 101
reasons for students' choice (editorial), 622
Medical practice
habits and customs (editorial), 525
hazards, legal (editorial), 413
Medical records
medicolegal importance, A-62 (Feb.)
Medical technology
education in (editorial), 103
requisite skills and attributes in, A-40 (Jan.)
Menstruation
irregular, A-18 (June)
Mental disorders
abortion, therapeutic, psychiatric indications for (editorial), 619
boredom, pathology of, A-94 (Mar.)
depression, medical treatment, 159
depression, treatment with amitriptyline, A-88 (Apr.)
emotional problems of adolescence, 237
malingering, faked fever (editorial), 309
psychiatry in general practice (note), 164
psychologic problems in pediatrics (note), 523
treatment with tranquilizers and energizers, 347
Methyldopa
treatment of hypertension, 548
Migraine: See Headache
Moniliasis
intertriginous, 323
Multiple sclerosis
speech problems, 298

Nasopharynx
cancer, incidence in China, A-77 (Feb.)
Neomycin
administration of, 108, 212
untoward reactions to, 329
Nephrotic syndrome: See Kidney, disease
Nitrofurantoin
dosage and administration of, 214
in urinary tract infections, 113
untoward reactions to, 333
Nobel prize
in medicine and physiology, 1962, 101
Nose
disease, allergic, A-88 (June)
injuries, treatment, 41
medicolegal aspects of rhinology, A-44 (Apr.)
Novobiocin
dosage and administration of, 212
restricted use of, 111
untoward reactions to, 331
Nutrition
diet in celiac disease, 592
in pregnancy, influence of, 277
lactation and, 380
saturated fats, heart disease and (editorial), 414
Nystatin
dosage and administration of, 216
untoward reactions to, 335
uses of, 113

Obstetrics: See Labor, conduct of
Odor
associations (note), 340
Oxygen
therapy, new technic, 101

Palsy
cerebral, A-18 (May)
Pancreas
disease, surgery, 316
Parkinsonism
speech problems, 298
treatment, new approach, 101
Paromomycin
dosage and administration of, 213
untoward reactions to, 332
uses of, 112
Parotid
surgical parotitis, 149
Pathology
surgery and, in treatment of cancer (editorial), 412
Pearse, Richard Armstrong
biography, A-128 (Apr.)
Pediatrics
anemia in newborn due to fetomaternal transfusion, A-88 (Feb.)
bladder neck obstruction, congenital, A-18 (Feb.), 461
blood coagulation in newborn, 222
blood disease, malignant, A-88 (June)
breast feeding, nutrition and, 380
celiac disease, nutrition in, 592
collagen diseases, 283
congenital amegakaryocytic thrombocytopenia and bilateral absence of radii, 401
congenital defects, research on, 100
cystic fibrosis, 191
emotional problems of adolescence, 237
erythroblastosis fetalis in twins, A-38 (June)
fever (note), 95
genitourinary disease, diagnosis, 386
heart failure, congestive, treatment with digitalis, 597
hyaline membrane disease, A-88 (May)
intussusception, 128
jaundice of newborn, 581
kidney disease, cystic and neoplastic, 469
nephrotic syndrome, 514

psychologic problems (note), 523
tumor of spine, sacrococcygeal teratoma, A-86 (June)
urinary tract obstruction, 461
Pellagra
photosensitivity in, 566
Pelvis
measurement, volumetric disproportion, A-16 (Apr.)
Penicillin
dosage and mode of administration, 210
untoward reactions to, 327
treatment of infections, 507
treatment of syphilis, A-92 (May)
Peptic ulcer
duodenal, management, 252
Pheochromocytoma
hypertension and, 82
Photosensitivity
in various diseases, 564
Physicians
as lecturers, demand for (editorial), 310
Pick's disease
description of, A-21 (June)
Plastic surgery
personality changes following, 336
Poisoning
carbon monoxide, A-92 (Feb.)
Poliomyelitis
unusual features, A-100 (Mar.)
Polymyxin B
bactericidal action of, 111
dosage and administration of, 213
untoward reactions to, 332
Porphyria
photosensitivity in, 564
Pregnancy
complications, carotid aneurysm, controlled hypotension during surgery, A-88 (Apr.)
complications, fetomaternal transfusion, A-88 (Feb.)
complications, heart disease, 555
complications, hydatidiform mole, chorio-adenoma destruens and choriocarcinoma, 175
complications, jaundice, 581
interruption, legal aspects, A-64 (May)
interruption, therapeutic (editorial), 619
nutrition in, influence of, 277
pelvimetry in, volumetric disproportion, A-16 (Apr.)
Prostate
cancer, 449
enlargement, benign, 446
excision, sequelae, urethral stricture, A-24 (Jan.)
Psychiatry
in general practice (note), 164
Psychosomatic medicine
emotional problems of adolescence, 237
flatus, chronic foul, possible causes, A-22 (Jan.)
lightheadedness, intermittent, A-20 (Mar.)
personality changes following plastic surgery, 336
Punch-drunk syndrome
in boxers, A-86 (Jan.)
Purpura
thrombocytopenic, chronic idiopathic, 74

Radiation
shortening of life span due to (note), 463
Radioisotopes
in luminous dials, effect on body, A-18 (Jan.)
medical application, A-86 (Jan.)
tests of kidney function, 505
Radiology: See also Radioisotopes, Roentgen rays
medical, in Sweden, A-81 (May), A-71 (June)
Raynaud's disease
sympathectomy in, A-84 (June)
Rehabilitation
communication and vocations: portable work surfaces for wheel-chair patients, 291; stationary work surfaces for wheel-chair patients, 409; work height and surface for nonwheel-chair patients, 200; work surfaces for standing and semi-erect patients, 616
Residents
legal liabilities, A-45 (Mar.)
Respiratory system
infection, viral, 88
Resuscitation
in cardiac arrest, 228
Reticuloendothelial system: See Histiocytosis X
Rheumatic fever
in children, 283
Ristocetin
dosage and administration of, 213
untoward reactions to, 332
uses of, 112
Roentgen rays
examination, diagnosis of Hodgkin's disease, A-67 (Jan.)
examination, diagnosis of tuberculosis, A-85 (Mar.)
examination of genitourinary tract, 493
examination, stereoscopic radiography, A-61 (Apr.)
treatment of nasopharyngeal cancer, A-77 (Feb.)
Rubella
as indication for therapeutic abortion (editorial), 619
epidemic in Israeli army, A-94 (May)

Sacroiliac joint
osteitis condensans ilii, A-22 (Jan.)
Scleroderma
clinical features of, 289
Scrotum
swelling of scrotal organs, 434
Self-help devices: See Rehabilitation
Sézary's syndrome
diagnosis of, A-18 (Feb.)
Skin
disease: See also Dermatomyositis, Scleroderma
disease, acne vulgaris, A-20 (Feb.)
disease, erythema bullosum, A-20 (May)
histiocytosis X, clinical forms of, 117
histiocytosis X, manifestations of (editorial), 203
infection, moniliasis, 323
photosensitivity, 564
Skull
fracture, 208
Sodium
restriction in treatment of hypertension, 532
Speech
problems in aged, 294
Spermatic cord
swelling, diagnosis, 434
Spinal cord
degeneration, subacute combined, pernicious anemia and, 610
Spine
cervical spondylosis, 58, A-86 (June)
tumor, sacrococcygeal teratoma, A-86 (June)

Spleen
excision, for chronic idiopathic thrombocytopenic purpura, 74
Staphylococci
infection, severe, 32
infection, treatment with antibiotics, 508
Sterilization
human, legal aspects, A-64 (May)
Stomach
secretion, intrinsic factor in human gastric juice, A-18 (June)
Streptomycin
dosage and mode of administration of, 211
untoward reactions to, 328
uses of, 108
Sulfonamides
dosage and administration of, 213
untoward reactions to, 333
uses of, 112
Summers, John E.
biography, A-118 (June)
Surgery
abdominal, exploratory, for suspected cancer, 341
complications, parotitis, 149
pathology and, in treatment of cancer (editorial), 412
plastic, nasal injuries, 41
treatment of blepharoptosis, 153
treatment of diverticulitis, 217
Sympathectomy
in Raynaud's disease, A-84 (June)
Syphilis
inveterate, treatment of, A-92 (May)

Teeth
care in aging patient, 196
Testis
swelling, diagnosis, 439
tumors, diagnosis and treatment, 440
undescended, fertility and, 480
Tetracyclines
dosage and administration of, 212
untoward reactions to, 330
use of, alone and in combined therapy, 109
Throat
medicolegal aspects of laryngology, A-44 (Apr.)
Thrombocytopenia: See Blood, dyscrasias
Thyroid
changes due to aging (note), 506
Tranquilizers
clinical experience with, 347
Transplants
research on, 101
Triacetyloleandomycin
dosage and administration of, 212
untoward reactions to, 331
uses of, 110
Trichomoniasis
vaginal, treatment with metronidazole, 172
Tuberculosis
diagnosis, chest microfilms vs. skin testing, A-85 (Mar.)
in aged (note), 372
modern treatment of (note), 468
of lung, in patient with hemochromatosis, 395
Tunica vaginalis
swelling, diagnosis, 438

Underwood, Felix Joel
biography, A-156 (Jan.)
Ureter
disease, diagnosis and treatment, 464
Urethra
caruncle, 423
roentgen examination, 502
stricture, 425
stricture, dilation after prostatectomy, A-24 (Jan.)
Uric acid
in blood, renal calculi and, 7
Urinary tract
obstruction in children, 461
Urine
analysis in pediatrics, 386
cells in, normal and pathologic, 417
protein in, A-90 (Apr.)
protein in, test for, A-18 (May)
Urticaria
due to cold, A-20 (Jan.)
Uterus
cancer, cervical, detection with irrigation smear, A-84 (Jan.)
cancer, cervical, obstacles to control, 5
polyp as cause of irregular bleeding, A-18 (June)
roentgen examination, 504
tumors associated with pregnancy, 175

Vagina
trichomoniasis, treatment with metronidazole, 172
Vancomycin
dosage and administration of, 213
in systemic infections, 112
untoward reactions to, 332
Varicella
gamma globulin treatment, value of, A-102 (Mar.)
pneumonitis following, A-18 (Jan.)
Varicocele: See Spermatic cord
Vas deferens
inflammation of, 427
roentgen examination, 503
Vertigo
dizziness in aged, 606
intermittent lightheadedness, A-20 (Mar.)
